

Spiraling A Transformative Film Opportunity

I hope this message finds you well. My name is Angela Caito. I'm the writer and director of *Spiraling*, a faith-based feature film exploring themes of addiction, redemption, and forgiveness. This is a deeply personal story that has already sparked significant community interest and aligns with a universal message of hope.

We are currently seeking funding to bring this amazing project to life. The total budget for *Spiraling* is \$375,452. We are seeking contributions of \$50,000 to \$100,000 to support production, post-production, and marketing efforts. Fifty Percent of the film's Producer Equity has been allocated for a maximum budget of \$500,000. Investor limited partner equity is based upon an allocation of 5% for \$50,000. We are also seeking investors who may want to help fund the entire budget and work with us to bring *Spiraling* to life. A formal Private Placement Offering Memorandum will be furnished to interested potential investors upon request.

Why *Spiraling*?

- **Powerful Storytelling:** *Spiraling* follows Kevin Ashbury, a young man who is struggling with addiction and a great deal of guilt after a family tragedy. With the help of some incredible characters, Kevin begins a transformative, and difficult journey of healing.
- **Proof of Concept Video:** <https://youtu.be/lxb0v2VrehA?si=K6LqyKRJ2xcXgyNj>
- **Experienced Team:** With Jeff Green as Director of Photography and a talented cast and crew, we're committed to delivering a powerful film. Our Attorney is William L. Whitacre, of WHITACRE ENTERTAINMENT LAW, PA, who has represented many successful films in development, production, and distribution.
- **Planned Production Timeline:** We are planning to begin filming in the Tri-Cities area of Northeast Tennessee in Spring 2025, pending funding.
- **Tennessee Film Incentives:** Tennessee offers a range of incentives to filmmakers, including cash rebates and tax credits, making it a highly cost-effective location for production.

How Your Investment Helps

Your contribution will directly support the creation of *Spiraling* and help us share its message of redemption with audiences worldwide. In addition to financial returns, we offer:

- Executive Producer credit opportunities.
- Inclusion in press materials, film promotions, and special screenings.
- A chance to support a project with the power to inspire and transform lives.

I'd love the opportunity to discuss this with you further. I'm also attaching our pitch deck. Your participation could make an incredible difference in helping us achieve this vision.

Please let me know a convenient time for a call or meeting, or if there's someone on your team I can follow up with.

Thank you for considering being part of *Spiraling*. Together, we can create a film that truly makes an impact.

Kind regards,
Angela Caito
